EXTENDED BASIS FOR LINES OR CONTACTS ON LINES 6, 11, 14, 17, 20, 23, 26, 29, 32, 35, 38, 41, 44, 47, 50, 53, 56, 59, 62, 65, 68, 71, 74, 77, 80, 83, 86, 89, 92, 95, 98, 101, 104, 107, 110, 113, 116, 119, 122, 125, 128, 131, 134, 137, 140, 143, 146, 149, 150.
 PREVIOUS EDITION: 14. 07.79.
 AUST. A. 184. 1968. BOTH WAYS LOCKED PERMANENT FROM STARTING

The diagram illustrates a railway signal plan for Didcot East Junction, featuring 150 tracks and 15 signal masts (A through M). The tracks are numbered 1 to 150, and the signal masts are labeled A through M. The plan shows the layout of the tracks, including sidings and main lines, and the positions of the signal masts. Various signal aspects are indicated by different symbols and colors, such as white, red, and green. The plan is divided into two main sections, with tracks 1-150 in the top section and tracks 1-150 in the bottom section. The signal masts are positioned along the tracks, and the plan shows the connections between the tracks and the signal masts. The plan is a detailed technical drawing, showing the layout of the tracks and the positions of the signal masts. The signal masts are labeled A through M, and the tracks are numbered 1 to 150. The plan shows the layout of the tracks, including sidings and main lines, and the positions of the signal masts.
